RE: AMB v Max Lind, M.D.
Case # MD-06-0924A

Dear Dr. Lind:

The purpose of this letter is to inform you that during the course of the August 8-9, 2007 public meeting, the Arizona Medical Board (Board) reviewed the above-referenced complaint and all pertinent evidence and information gathered during the investigation. At the conclusion of its review, the Board voted to issue you this Advisory Letter for failure to remove IUD at the time of bilateral tubal ligation resulting in a second surgical procedure to remove the IUD. This was a one time technical violation.

An advisory letter is a non-disciplinary action, and is not subject to review by either the Board or the Courts. See *Murphy v. Board of Medical Examiners of the State of Arizona*, 190 Ariz. 441, 949 P.2d 530 (App. 1997). However, you may file a written response to the letter with the Board within thirty days after its receipt A.R.S. § 32-1451(E)(2). If timely received, the response will be attached to the advisory letter and maintained in your permanent file. The written response will also be hyperlinked to your profile on the Board's website.

Thank you for taking time out of your schedule to address the Board. Complaints brought before the Board are taken seriously and your input into the adjudication process.

Sincerely,

A handwritten signature in cursive script that reads "Mary Bober".
